IMPORTANT NOTES:

1. Ministry of Corporate Affairs ("MCA") vide its General Circular No. 03/2025 dated September 22, 2025 read with circulars issued earlier on the subject ("MCA Circulars"), have permitted convening the Annual General Meeting ("AGM") through Video Conferencing ("VC"), without physical presence of Members at a common venue. Hence, In accordance with the MCA Circulars and applicable provisions of the Companies Act, 2013 ("Act") read with Rules made thereunder and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the AGM of the Company is being held through VC. The deemed venue for the AGM shall be the registered office of the Company. Since the AGM will be held through VC, the route map and attendance slip are not annexed to this Notice.
2. Further pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India and the MCA and SEBI Circulars, the Company is holding its Annual General Meeting (AGM) through VC/OAVM, without the physical presence of the Members at a common venue. For the said purpose the Company has engaged the services of our Registrar & Share Transfer Agent, MUFG Intime India Private Limited ('Link Intime') for conducting AGM through VC/OAVM. Further, MUFG Intime India Private Limited has also been engaged for facilitating e-voting to enable the members to cast their votes electronically using remote e-voting system as well as e-voting during the AGM. The procedure for participating in the meeting through VC/OAVM is explained in the notes below.
3. The Register of Members and the Share Transfer books of the Company will remain closed from 28/08/2026 to 03/09/2026, both days inclusive, for annual closing.
4. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. Since this AGM is being held through VC / OAVM pursuant to the MCA Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed hereto.
5. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.
6. The Securities and Exchange Board of India (SEBI) has mandated the submission of permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company.

7. SEBI has also mandated that for registration of transfer of securities, the transferee(s) as well as transferor(s) shall furnish a copy of their PAN card to the Company for registration of transfer of securities.
8. Details as required in sub-regulation (3) of Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and Secretarial Standard on General Meeting (SS-2) of ICSI in respect of the Directors seeking re-appointment at the AGM, forms integral part of the Notice of the AGM. Requisite declarations have been received from the Directors for seeking appointment/re-appointment.
9. Electronic copy of the Annual Report for 2025 is being sent to all the members whose email addresses are registered with the Company/Depository Participant(s) for communication purposes unless any member has requested for a hard copy of the same.
10. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013 ("Act") and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act will be available electronically for inspection by the members during the AGM.
11. The Board of Directors have appointed Ms. Snehal Shaligram, Practicing Company Secretary (Certificate of Practice no. 10216), as the Scrutinizer to scrutinize the remote e-voting process and e-voting through electronic voting system at the AGM in a fair and transparent manner.
12. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
13. The Notice is being sent to all the Members/ Beneficiaries electronically, whose names appear on the Register of Members/Record of Depositories as on 31/07/2026 in accordance with the provisions of the Companies Act, 2013, read with Rules made thereunder and MCA and SEBI Circulars.
14. Voting on the Resolutions set forth in the Notice shall be done by electronic means ("e-voting") in terms of the applicable provisions of the Act read with the Rules made thereunder and SEBI Listing Regulations. Members (as on the cut-off date) may cast their votes remotely ("remote e-voting") as per the details mentioned below:

2. State of Company's Affairs

After the discontinuation of business activities of inter alia production, manufacture & trade of refractories and bricks of all types and varieties, the management of your Company has been keenly looking for viable business opportunities. The evolving business environment, influenced by shifting geopolitical dynamics and ongoing conflicts among major economic powers, has adversely impacted business growth. In response, management is actively implementing strategic initiatives to realign and strengthen the business for improved performance and long-term sustainability. The promoters are optimistic about the future of your Company.

During the year under consideration, the company has earned income mainly from interest earned on investments.

Since the management is still looking for options to revive the business of the Company, there is nothing at present which can be reported under Management Discussion and Analysis Report in so far industry structure, outlook, opportunities and risk are concerned. The Directors

have dealt with the other aspects relating to financial performance, internal control and accounting treatment as far as possible elsewhere in this report.

Further, the obligations relating to compliance with corporate governance provisions does not apply to the Company as per the exemption criteria given under the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. The Company shall comply with the requirements with the said regulations within six months from the date on which it becomes applicable to it. Nevertheless, the Company follows highest governance standards in spirit and believes in philosophy of transparency and disclosure. Corporate Governance is about maximizing shareholder value legally, ethically and sustainably. Your Company's Board exercises its fiduciary responsibilities in the widest sense of the term.

3. Dividend

To conserve the reserves of the Company for future business growth, the Board of Directors has not recommended any dividend for the year under review.

4. Share capital

The current authorized capital of the Company is Rs.5,00,00,000/- (Rupees Five Crores Only). The paid-up share capital of the Company is Rs. 70,00,000 (Rupees Seventy Lakhs Only) consisting of 700,000 (Seven Lakhs) Equity Shares of Rs. 10 (Rupees Ten only) each. There was no change in the Share Capital of the Company during the year under review.

5. Amount to be transferred to reserves

No amount is proposed to be transferred to any reserve.

6. Subsidiary/Joint Ventures/Associate Companies

The Company did not have any subsidiaries, joint ventures or associate companies during the year under review.

7. Directors and Key Managerial personnel

The present Board of Directors consists of the following Directors:

**INDEPENDENT AUDITOR'S REPORT
TO THE BOARD OF DIRECTORS OF LERTHAI FINANCE LIMITED**

Report on the audit of the Annual Financial Results

Opinion

We have audited the accompanying quarterly financial results of Lerthai Finance Limited ("the Company") for the quarter ended March 31, 2026 and the year-to-date results for the period from April 01, 2025 to March 31, 2026 ("the financial results"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of Companies Act, 2013("the Act") and other accounting principles generally accepted in India of the net loss and other comprehensive income and other financial information for the quarter ended March 31, 2026 as well as the year-to-date results for the period from April 01, 2025 to March 31, 2026.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Financial Results

These financial results have been prepared on the basis of the annual financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design,

implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter:

Attention is drawn to the fact that the financial results include the result for the quarter ended 31st March, 2026 being the balancing figure between audited figures in respect of full financial year and published unaudited period end figures up to the third quarter of the current financial year which were subject to limited review by us.

Our opinion is not modified in respect of above matter.

LERTHAI FINANCE LIMITED
Notes to Financial Statement for the year ended 31st March 2026

1. Company Information

Lerthai Finance Limited [formerly known as Marathwada Refractories Ltd (the company)] was engaged in the activities relating to production, manufacture or trade refractories of all kind and bricks of all types and varieties with different properties and components.

The company has amended its object clause in the Memorandum of association w.e.f. 28 Dec 2018. Now, the Company is engaged into the business activity of financing and investment.

The financial statements are approved for issue by the Company's Board of Directors on 20 /05/2026.

2. Basis of Preparation of Financial Statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The financial statements are presented in INR and all values are rounded to the nearest lakh, except when otherwise indicated.

3 Summary of significant accounting policies

a) Revenue Recognition

i. Dividend income

Revenue is recognised when the shareholders' or unit holders' right to receive payment is established, which is generally when shareholders approve the dividend.

ii. Interest income

Interest income from FD, if any is recognized in the books on time proportion basis taking into account the amount outstanding and the rates applicable. Interest income is included under the head "Interest income" in the statement of profit and loss. Other income is recognized in the books when the same is accrued to the company.

b) Current versus non-current classification

The Company presents assets and liabilities in balance sheet based on current/non-current classification. An asset is current when it is:

- a. Expected to be realised or intended to sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading
- c. Expected to be realised within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All Other Assets are classified as non current

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

The company has identified twelve months as its operating cycle.

A liability is current when it is:

- a. Expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

LERTHAI FINANCE LIMITED
Notes to Financial Statement for the year ended 31st March 2026

c) Cash and Cash Equivalents

Cash and cash equivalents in the statement of financial position comprise cash at banks and on hand.

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

d) Impairment of Financial Assets

The Company assesses, at each reporting date, whether there is objective evidence that a financial asset or a financial assets of Company is impaired. An impairment exists if one or more events that has occurred since the initial recognition of the asset (an incurred 'loss event'), has an impact on the estimated future cash flows of the financial asset or the financial assets of Company that can be reliably estimated.

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

e) Retirement and other employee benefits

Short-term employee benefits

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. Undiscounted value of benefits such as salaries and bonus are recognised in the period in which the employee renders the related service.

f) Income Tax

Tax expense comprises of current and deferred tax.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. At each balance sheet date the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax assets to the extent that it is probable that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient future taxable income will be available against which deferred tax asset can be realised.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Minimum Alternative tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

Notes to Financial Statement for the year ended 31st March 2026

g) Property, Plant and Equipment And Depreciation

Property, Plant and Equipment And Depreciation

i) An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses if any.

The Company identifies and determines cost of each part of an item of property, plant and equipment separately, if the part has a cost which is significant to the total cost of that item of property, plant and equipment and has useful life that is materially different from that of the remaining item.

ii) The cost of an item of property, plant and equipment comprises of its purchase price including import duties and other non-refundable purchase taxes or levies, directly attributable cost of bringing the asset to its working condition for its intended use and the initial estimate of decommissioning, restoration, exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs and similar liabilities, if any. Any trade discounts and rebates are deducted in arriving at the purchase price.

iii) The Company had elected to consider the carrying value of all its property, plant and equipment appearing in the Financial Statements prepared in accordance with Accounting Standards notified under the section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2004 and used the same as deemed cost in the Ind AS Balance sheet.

Depreciation

Depreciation on each part of an item of property, plant and equipment is provided using the Straight-Line Method based on the useful life of the asset as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013. The estimated useful lives of the assets have been estimated by the management, taking into account the nature of the asset on technical evaluation of the useful life, which may not necessarily be in alignment with the indicative useful lives prescribed by Part C of Schedule II to the Companies Act, 2013. The following useful life is considered:

Assets	Useful Life
Computer equipment	3 Years

Intangible Assets

i) Intangible assets are reported at cost of acquisition less accumulated amortization and impairment losses, if any.

ii) Amortization is provided on Straight line basis over the assets anticipated useful life. The useful life of Software is determined based on the period of the underlying contract and the period of time over which the intangible assets is expected to be used and is generally ranging from 2 years to 10 years. The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and amortisation period is revised to reflect the changes in the pattern, if any.

h) Provisions and Contingent Liability

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

i) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

j) Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at fair value through profit and loss

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

k) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

LERTHAI FINANCE LIMITED

Notes to Financial Statement for the year ended 31st March 2026

1) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets other than equity instruments are classified into categories: financial assets at fair value through profit or loss or at amortized cost. Financial assets that are equity instruments are classified as fair value through profit or loss or fair value through other comprehensive income. Financial liabilities are classified into financial liabilities at fair value through profit or loss & amortized cost.

Financial instruments are recognized on the balance sheet date when the Company becomes a party to the contractual provisions of the instrument. Initially, a financial instrument is recognized at its fair value. Transaction costs directly attributable to the acquisition or issue of financial instruments are recognized in determining the carrying amount, if it is not classified as at fair value through profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

Financial assets at amortized cost: Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently, these are measured at amortized cost using the effective interest method less any impairment losses.

26 Financial risk management objectives and policies

The Company's principal financial liabilities comprises trade and other payables. The Company's principal financial assets include investments, loans and advances given, cash and cash equivalents and security deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Board.

The Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

a. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company's exposure to market risk arises from investments held by the Company and classified in the balance sheet at fair value through profit and loss. The exposure of the Company is limited to the fair value of the preference shares held by it.

b. Credit risk

Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts, loans and advances receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past trend, industry practices and business environment in which company operates.

Financial Instrument and Cash Deposit

Credit risk from balances with banks and financial institutions is managed accordance with the Company's board approved SOP. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments. The Company's maximum exposure to credit risk for the components of the statement of financial position at 31 March 2025 and 2024 is the carrying amounts.
